½ Cup Water  
½ Cup Vegetable Oil

½ Stick Butter  
½ Cup Sugar

Preheat oven to 325 degrees. Grease tube pan or bundt pan. Combine cake mix, pudding, water, oil, and rum. Beat in eggs, one at a time. Bake for one (1) hour and let cool in pan. It will fall.

To make sauce, boil butter , sugar, rum and water. Pour over cake while it is still in the pan. Let cool completely before removing from pan. This cake freezes beautifully.
